

The Chosen

Season 2, Episode 3

Matthew 4:24

Jesus spends a very long day ministering to those who come to him for healing. His disciples pass the time, keeping order and tending to the camp. We learn much about the various disciples from their conversations – especially a confrontation where they vent about the struggles of being a Jew during Roman occupation; and Matthew is a target of their wrath. At day's end, Jesus emerges, exhausted, and goes to bed with the help of his mother, Mary.

Discussion Questions

1. During Jesus' traveling ministry, the role of the disciples is to be the "advance team" – going ahead of Jesus to prepare for his arrival. They tell the people about Jesus and his ministry, answer questions, and invite them to "Come and See". How often do you share your faith and encourage others to "come and see"?
2. As we watch the disciples interact with each other while Jesus ministers through the day, we get to know them better. Which disciple do you most identify with at this point in the story? Why is that?
3. We see Phillip continuing to mentor Matthew and explaining that "no amount of learning can bring you closer to God or make you more or less precious to Him." Do you ever feel that you are not close enough to God to be heard?
4. How did you feel as you heard Jesus' mother, Mary, describing Jesus' birth and then mothering Jesus? Were you surprised?
5. When the discussion turned loud around the campfire and the group confronted Matthew, how did you feel? What did you think?
6. When Jesus emerges from a day of ministering, he is physically and mentally exhausted, and he simply offers "Good night" to the disciples. Were you surprised at his condition? Had you been among the disciples who were arguing, how do you believe you would have felt as Jesus passed by?
